Join us for an exclusive webinar hosted by Stadler & Swart Attorneys Inc (George) on the topic:

## DEVELOPMENT CHARGES – A NEW ERA

The Municipal Fiscal Powers and Functions Amendment Act was published in the Government Gazette on 11 June 2024 which introduces significant legislative changes relevant to the determination of development charges including:

- A new definition of “*development charge*”
- The power of municipalities to levy development charges
- Criteria for determination of development charges
- Contents of development charges policies
- Obligation of municipalities to pass by-laws to give effect to development charges policies
- Contents of engineering services agreements
- Right of appeal in terms of Section 62 of the Municipal Systems Act

Our panel of prominent engineering officials, some of whom were directly involved in the law reform process, will provide invaluable insights on the topic.
